Company boilerplate

SUSA Recycling Naples is a scrap metal and junk-vehicle buyer located at 15575 Tamiami Trail E. in Naples, Florida. The business buys scrap metals and junk, damaged or end-of-life vehicles. Its website offers scrap-planning calculators, a material finder and seller guides to help people prepare questions before discussing a sale. For company information or media inquiries, visit susarecyclingnaples.com or contact chad@susarecyclingnaples.com.

Media requests

Send your outlet, topic, questions and deadline to the media contact. Ask the team about interview availability, location photos and other image formats.

Public tools and resources

Scrap metal value calculator

Wire stripping calculator

Material finder

Seller guides

Calculator outputs are planning estimates based on entered information, not a purchase offer or live price quote. Confirm accepted materials and vehicle eligibility, paperwork and visit arrangements directly with the team.
